Awareness sessions Aug- Dec

Otherwise students underestimate their potential due to illusions and prejudices

A face to face session is conducted in targeted rural govt. schools aimed at various higher educational opportunities after 12th. We have made 277 visits targeting 45000 students till now

It is an much needed session otherwise students remain aimless after schooling- An school teacher

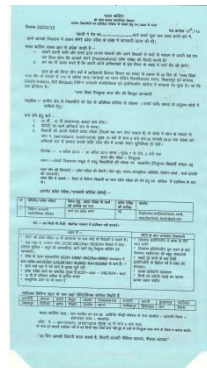

Follow up Dec- Jan

Because students do not have internet access, they miss forms

The students are contacted through phone calls & letters for reminding about entrance exams dates and summer camp. We have made 7000 calls till date and have posted more than 6000 letters.

Hello, please fill up the entrance forms last date is due- Bharat Calling respondent

Summer camp April-May

Organizing them in groups and making entrance exams preparation a celebration

Classes for 45 days are conducted in various govt. schools. The volunteers from local area & colleges come across & teach, We have conducted 34 summer camps.

I not only prepared for various entrances but also got my best friends- An student
